Hi Kevin,

Thank you so much for helping us inspect the home we want to purchase. Dave and I really appreciate how detailed you were in the inspection. You explained everything very well and we feel confident that you found everything that needs to be fixed in the house. You were also very friendly and willing to answer any of our questions. THANKS! We will definitely recommend you to anyone we know. We will let you know if we have any questions once we have a chance to look over the inspection.

Thanks,
Stephanie and Dave
